TECHNOLOGY BRINGS THE FUTURE

ABOUT US

WELCOME TO

Rangoon Tech is a Yangon based Startup which will help your Business to accelerate and improve by providing – Future Technologies in THE Digital Age . Our Team Members, from different regions of Myanmar , are Young and Crazy in Tech field such as Web & App Developing . Creative Designing & Digital Marketing . We are providing One-Stop Service starting from “ Design Creation ” to “ Digital Strategy ” to speed up your Business . We promise your business will reach better results in a short time.

One-Stop Digital Services for Your Business

Rangoon Tech has been established as Technology Company in Yangon Myanmar . Our traditional business model is based on the Web Development in Myanmar . Based on the decision of the company to diversify our properties ; we have now providing the Web Mail Server.

Also create the Awesome Mobile and Web applications . Digital Media are so widely use in world. So we also handle the Digital Marketing. We troubleshoot Computer and Setup networks. We have the Creative Team . That Creative Team produces the Amazing Printings design like Broacher, Flyer, Business Card and etc. .

Next we continues explore the Technological Services. Now we will arrange to create the GIS Maps of Myanmar. Soon Myanmar townships maps are available with GIS.

OUR PURPOSE
